## Project itinerary

### Mandatory Orientation Day

On the Monday of your first week at this location, you will join our orientation day, to familiarise yourself with the surroundings as well as local culture. Your programme will continue as usual from Tuesday onward throughout the rest of the week.

### Orientation Schedule - Monday

- Welcome, introduction to Indonesia, House rules, Code of
- Conduct and handling of documents
- Culture Lesson
- Lunch
- Project meeting and Preparation

### Tuesday to Friday

On a typical day during this project as a Kindergarten Volunteer, you will have an early breakfast and head to the kindergarten where you will teach some basic English phrases for the little ones through fun activities. Then, after lunch, you will start planning the activities for the next day at kindergarten. The day will end with a delicious dinner back at the accommodation and whatever you choose to do with your evening.

### Evenings and Weekends

Your evenings and weekends are free to spend exploring Ubud or simply relaxing with new friends back at your accommodation. Many of our volunteers enjoy mixing with their new volunteer friends during the week and plan their weekend adventures together!

**Please note:** The Kindergarten Volunteer Project in Bali will be closed during school break (June, July, August and December). You may volunteer on other childcare projects.

This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances.

## Places to Visit

Since the weekends are free, you are able to go wherever you would like to go. Here are some of our top must-see destinations!

### The Gili Islands

Here, you'll find small resorts and huts for tourists looking to get away from the bustle of Ubud. In fact, the islands are a popular destination for snorkelling and diving due to their abundant marine life.

### Nusa Lembongan

This is an island paradise with the clearest waters that you will ever see! Surfing, diving and snorkelling and amongst the most popular activities that visitors can enjoy.

### Lovina

Lovina is located between the Bedugul mountains and the sea, and is popular for dolphin watching, trekking, hot springs and its gorgeous coral reefs.

### Sanur

This is a stunning stretch of beach in Southeast Bali that contains villa resorts and Zen Villas. Historically, it was used as the landing site for the Dutch invasion troops during the Dutch invasion in 1906 as well as being the entry point into Bali for the Japanese during WWII.

### Kuta

Kuta is a beach known for its surfing opportunities and party atmosphere, and is a popular destination for our volunteers over the course of their stay!

### Uluwatu

This extraordinary temple was built at the edge of a 70-metre high cliff at the edge of the sea and is inhabited by monkeys.
