Project itinerary

Our Construction and Renovation Volunteer programme involves a lot of learning 'on-the-go', but you will be properly instructed throughout your day to ensure that you are working safely. Construction and renovation volunteering is, of course, hard work, but you will have plenty of time to enjoy your surroundings both during the day and after a hard day's grafting.

Mandatory Orientation Day

On the Monday of your first week at this location, you will join our orientation day to familiarise yourself with the surroundings, as well as local culture. Your programme will continue as usual from Tuesday onward throughout the rest of the week.

Orientation Day Schedule

- Introduction meeting, House rules, Setting Expectations,
- Health and Safety Advice and handling of documents.
- Ghanaian Do's and Don'ts, Ghanaian Culture Lessons and
- Language Lessons. Tour around the local area
- Drive into Accra to visit the museum and craft market,
- Independence Square and Oxford street.
- Visit local shops and amenities.
- Lunch

Evenings and Weekends

After a hard day's work, you deserve a little down-time, and you can choose to explore the area or head further afield on the weekends. Many of our volunteers enjoy mixing with their new volunteer friends during the week and plan their weekend adventures as they go!

Places to Visit

There's so much to see in Ghana, so if you're an intrepid explorer, you won't be spoiled for choice of places to visit!
