Evenings and Weekends

At the end of your day as a Special Needs Volunteer, you can choose to explore the area or simply relax with new friends back at your accommodation. Many of our volunteers enjoy mixing with their new volunteer friends during the week and plan their weekend adventures together!

Places to Visit

Shopping in Kathmandu is fun! Thamel is a tourist hotspot, where shoppers can find Nepalese, Tibetan and Indian artefacts, wood carvings, handicraft and unique clothing. There are also several malls for picking up fashionable clothing and grocery stores offering everything from wine to breakfast cereals. And if dining out is your thing, you can have a dish from a different country every night, with many restaurants serving local and international dishes!
